

Social and Cultural Activities

Several full-time student interns will accompany you during your time here in France. They will be your guides to discover Paris (Eiffel Tower, Notre-Dame, Montmartre, Champs-Élysées, Quartier Latin...) and explore its multitude of monuments, shops, museums, bars and restaurants.

Possible activities, at your own expense, include day trips to Versailles Castle, Disneyland Resort Paris, a Seine river cruise, etc.

Accommodation and Board

Students are housed in single-occupancy dorm rooms located near campus. Each room is equipped with its own bathroom, and laundry facilities are available. The on-campus restaurant is open from Monday to Friday.

Cost and Fees

- For students from partner universities (tuition fees waived): **EUR 2,000**
- For students from non partner universities: **EUR 2,500**

If you are not sure whether your university has a partnership with Telecom Ecole de Management, please contact your International Office or e-mail us at international@telecom-em.eu.

Costs included: classes, field trips, housing, breakfast and lunch (Monday thru Friday).

EUROPEAN SUMMER SCHOOL IN FRANCE

JUNE 26 TO JULY 13, 2017

Télécom Ecole de Management is a leading higher education institution in Management, located in the suburbs of Paris. Its European Summer School program is open to students proficient in the English language who have completed their second year of undergraduate studies.

Two Programs of Study, taught in English

Students can choose among two programs that are taught in English by leading professors in the field of Management and Information Technology.

- a. Management: The European Approach
- b. IT: The European Approach

II PROGRAM CONTENT

- a. Common to both Options
 - France and French Culture
 - EU Institutions, Economy and History
 - Business Ethics and Social Responsibility

- b. Management Option (30 hours)
 - Sustainable Supply Chain and Logistics
 - Strategic Management in a Digital Age
 - Operations Management
 - Managing Innovation and Change in a Digital Age
 - HRM from a European Perspective
- c. Information Technology Option (30)
 - Big Data Management
 - Global Telecom Strategies
 - Platforms and Digital Ecosystems
 - IS/IT Architecture
 - Smart Phone Market in France
- d. French as a foreign language

Student Profile

Students enrolled come from a large variety of cultural and academic backgrounds. Summer School students come from all over the world and can choose to link with English speaking French interne students for the duration of the program.

Develop your Understanding of France

While spending three weeks studying in France, take the opportunity of a campus in the Paris area to improve your French and experience the French way of life.

Field Trips

To complete our academic program, the Summer School offers you the opportunity to experience exciting excursions to Switzerland (United Nation and ITU) and Belgium (European Commission and Parlementarium).

French Classes for all Levels

Whether you are a beginner, an intermediate or advanced French speaker, you will learn or improve your French in small groups with highly experienced professors.
