

HARBIN INSTITUTE OF TECHNOLOGY

2022-2023

**CHINESE GOVERNMENT
SCHOLARSHIP PROGRAM**

About HIT

Harbin Institute of Technology (HIT) was established in 1920 in Harbin, Heilongjiang, China. In 1954, HIT became one of China's first six leading universities.

HIT is a member of China's top nine University Union(C9). It is a National Key University with science and engineering as its core and has developed to cover management, liberal arts, economy, law and other disciplines. In the US News ranking for the Best Global Universities for Engineering, HIT ranked No.2 in China and No.4 globally.

Overview

Chinese Government Scholarship – Chinese University Program is established by the Ministry of Education of China (hereinafter referred to as MOE), aiming to develop outstanding international talent and improve the perception of China's higher education. Under the mandate of the MOE, Harbin Institute of Technology is opening application for full-time postgraduate studies under the 2022 Chinese Government Scholarship – Chinese University Program.
