

First of all, my name is Luis López Salvador, I am from Spain and I am an Erasmus student here in Graz, Austria. Second of all, I met Sujeong Kim during the first course on the first week of the semester, *Marketing Management*. Afterwards, we took plenty of courses together: *Lean Management*, *Warehouse Logistics*, *Value Engineering and Creativity Techniques*. Were you to ask me I would say that Su is one of the best classmates I met here, as she was creative, open minded, hardworking and a great teamwork mate. To sum up, I am glad I was able to meet Su not only in class, but also after University time, she is definitely a fantastic person.
