ABOUT SHENZHEN

Shenzhen is a coastal city in South China. It is located on the eastern bank of the Pearl River, neighboring Hong Kong.

As one of the most important international cities in China, Shenzhen is one of the most economically dynamic cities in the world. The city is the high-tech and manufacturing hub of southern China as well as a State-level innovative city.

Shenzhen now has become an international metropolis with great influence .It has the world's third-largest container port, Asia's largest land border port and China's five largest airports. It's home to seven Fortune Global 500 companies — Huawei, China Merchants Group, Ping An Group, Tencent, Vanke, Amer International Group and Evergrande. It has attracted more than 200 of Fortune 500 companies to invest here.
