

Fact Sheet: Scholarships for Science and Technology Undergraduate Students

King Abdullah University of Science and Technology (KAUST) is being built in Saudi Arabia as an international, graduate-level research university dedicated to inspiring a new age of scientific achievement in the Kingdom that will also benefit the region and the world. KAUST will be merit-based and will recruit men and women from around the world.

For more information on the King Abdullah Scholar Award visit the KAUST Web site at: www.kaust.edu.sa

KAUST Discovery Scholarship

KAUST will grant the KAUST Discovery Scholarship to highly talented students from around the world who represent future leaders in science, engineering and technology.

KAUST will offer a pre-enrollment version of this general scholarship program to students attending first university or bachelor's degree programs.

Upon graduation, these students will enter KAUST as master's degree students and complete their graduate studies on a fully funded scholarship.

Scholarship Benefits

For the remainder of their first university degree studies, students will receive:

- Full tuition to complete degree at current institution
- A monthly living stipend
- An allowance to purchase textbooks
- An allowance to purchase a laptop computer
- All travel costs associated with participation in KAUST-sponsored enrichment activities, such as:
 - Scholarship award convocation event
 - Global workshops at the KAUST campus in Saudi Arabia
 - Regional workshops

Upon the completion of the first university degree program, students will receive:

- Admittance into a master's degree program at the KAUST campus in Saudi Arabia
- Full scholarship at KAUST, including tuition, housing and travel costs
