McDONNELL INTERNATIONAL SCHOLARS ACADEMY

The Lead Initiative in Washington University's
Globalization Strategy

ENHANCE OUR LEADERSHIP TODAY TO BENEFIT AMERICA AND
THE WORLD TOMORROW

The McDonnell International Scholars Academy relies on partnerships with a select group of premier universities from around the world. We recruit future global leaders from these partners and mentor them as they pursue graduate and professional degrees at Washington University.

In addition, we foster collaborative research and educational efforts with the institutions in the Academy on issues such as energy and sustainability, global public health, and international understanding. The Academy is an incubator for new ideas on global networks in research and education and will pursue additional initiatives in the future.

The McDonnell Academy works closely with distinguished faculty across disciplines at Washington University and key leaders in the areas of:

AGING AND PUBLIC HEALTH | AGRICULTURE, FOOD, AND WATER
ARCHITECTURE | BUSINESS | DESIGN | ENGINEERING | INTERNATIONAL RELATIONS
LAW | MEDICINE | SCIENCES | SOCIAL WORK

ACADEMY LEADERSHIP

Academy Ambassadors

The Academy Ambassadors mentor Scholars and nurture the development of international cooperation among partner universities and sponsoring corporations.

Steering Committee

The McDonnell Academy's Steering Committee consists of academic leaders at Washington University who oversee the Academy's programs and serve as an admissions committee.

External Advisory Committee

The McDonnell Academy has a committee of external advisors to advise the Chancellor and the Academy Director on programming initiatives and on developing partnerships with research universities in other countries.

For more information on McDonnell Academy Leadership, visit mcdonnell.wustl.edu

APPLYING FOR ADMISSION TO THE MCDONNELL ACADEMY

Eligibility

- If you are a student from a University Partner who has applied for admission to one of the eligible full-time doctoral or master's degree programs, you may also apply for admission to the McDonnell International Scholars Academy.
- Check the list of eligible programs from each school at mcdonnell.wustl.edu.

You must apply separately to the Academy.

The man on the left is wearing a dark coat and glasses, the man in the middle is wearing a dark coat, and the man on the right is wearing a grey and blue North Face jacket. They are all smiling and looking towards the camera. The U.S. Capitol building is visible in the background under a clear sky.

“Working with its network of partner universities, the Academy encourages future leaders to form the ties today that will benefit the world tomorrow.”

Application Procedures

To apply to the McDonnell Academy, you must be admitted to a doctoral or master's degree program at Washington University. The McDonnell Academy Steering Committee will examine your academic potential and your commitment to international issues and global leadership.

- Submit an application to one of Washington University's eligible doctoral or master's degree programs. (On the application, you should provide information on financial support or request financial assistance as if you were not applying to the Academy.)
- Apply **separately** to the McDonnell Academy. Applications are reviewed beginning February 1. More information on the application process can be found at mcdonnell.wustl.edu.

Support

If you are admitted to the McDonnell Academy for the current academic year, you will receive:

- Full tuition for study in a doctoral or master's degree program. This support will continue as long as you are making satisfactory progress toward a degree within a specified amount of time.
- A 12-month living stipend for each year that you are making satisfactory progress toward a degree. This stipend is set at \$28,000 for the academic year beginning August 16.
- A one-time allowance of up to \$1,500 for travel to St. Louis to begin studies as an Academy Scholar.
- An annual travel allowance of up to \$2,000 for a trip back to your alma mater.

IMPORTANT NOTE: If you are admitted to a doctoral or master's degree program but not to the McDonnell Academy, you may receive whatever financial assistance the degree program offers. If you are admitted to a degree program and to the McDonnell Academy, then our financial assistance agreement will replace that offered by the degree program. Notification of admission to the graduate or professional degree program will occur before notification of Academy admission.

SOLIDIFYING THE PARTNERSHIP

Our partners are a select group of premier research universities from around the world. Universities that become partners in the Academy are committed to excellence in education and research, and to the importance of international collaboration. In turn, Washington University is committed to having at least one Scholar from each University Partner in residence at all times.
