

## SUMMER CAMP INSTRUCTOR

<b>Company Description</b>	<p>iD Tech Camps is our flagship program for students ages 7-17. We offer courses in programming, video game design, robotics, virtual reality, 3D modeling/printing, filmmaking, photography, and more. These weeklong day and overnight summer camps include hands-on, personalized technology instruction and a variety of fun summer camp activities. iD Tech courses are led by tech-savvy staff in a dynamic, pressure-free learning environment. Our goal is to help our kids gain a love of learning through building critical 21st-century STEM skills, and have fun while doing it.</p>
<b>Job Description</b>	<p>You are talented, passionate, and want to share your tech skills with the next generation of innovators. You want to shape the next blockbuster game designer, lead the person who advances artificial intelligence or guide that person who crafts the next platform that brings millions of people together. iD Tech wants people like you. So, let's talk!</p> <p>iD Tech is a purpose-driven company that inspires students ages 7-18 to innovate using cutting-edge technology. This summer, iD Tech is hiring over 1,000 instructors. You'll mentor students ages 7-17 in a fun, dynamic learning environment. Each week, you will lead a class of around eight students in a subject like robotics, game design, programming, or 3D printing. For any of our 60+ courses, we provide the curriculum – you bring your knowledge of tech and passion for teaching.</p> <p>You'll do more than instruct. You will be a role model. You'll demonstrate that fun, learning, and collaboration work hand-in-hand. You will help students make their vision for their projects come to life. Through excellent activities, teambuilding games, and theme days, you will instill confidence in your students. And, you will help parents see how truly talented and knowledgeable their students are.</p> <p>iD Tech has repeatedly been named a Top Workplace by the Bay Area News Group. Our programs are located at 160 university and school locations across the country. We have both day and overnight positions available.</p>
