

Open position for Postdoctoral Fellow & PhD study

Nanyang Technological University, Singapore

Postdoc fellows

Job descriptions

1. Miniaturized electrochemical energy storage at harsh environment
 - High temperature batteries
 - Microfabrication of batteries
 - Solid electrolyte or ionic liquid for electrolyte at high temperature
2. Miniaturized energy harvesting at harsh environment
 - Kinetic energy harvesting system at high temperature
 - Microfabrication

Preferred expertise but not limited to

1. PhD from Electrical Engineering/Mechanical Engineering or equivalent background
 - Microfabrication (N/MEMS or microfluidics) - Flexible electronics
 - Kinetic energy harvesting systems
2. PhD from Materials Science, Chemistry, Chemical Engineering, or equivalent background
 - High temp. batteries including its electrolyte (e.g. ionic liquid or solid electrolyte)
 - Microbatteries - Electrochemistry

Remuneration and benefits

Successful candidates can expect a competitive salary and benefits. Monthly salary will be determined based on educational qualifications and research experience.

Application procedure

Interested applicants please send your application to:

Assistant Professor Lee, Seok Woo (***sw.lee AT ntu.edu.sg***)

School of Electrical and Electronic Engineering, Nanyang Technological University, Singapore

Please attach your full CV with the list of the representative publications and the names and contacts (including email addresses) of 2 (or more) references. The title of email may start as '[Postdoc Fellow] 'name' in 'affiliation'.

We regret that only shortlisted candidates will be notified.

Ph.D. candidates

- Preferred major (but not limited) are EE, ME, MSE, or CE
- Successful candidates will receive scholarship for PhD study including tuition and living cost.
- Most of PhD candidates receive the degree in 4~5 years (but not guaranteed).
- Submission of online application should be done no later than 31 Jan. 2019 for Aug. 2019 intake.
- If interested, please send your application (e.g. CV) to ***sw.lee AT ntu.edu.sg***
