Get Started Funding for research collaborations with Lund University!

The initiative aims to strengthen research engagement with selected partner universities in countries that have recently joined, or are about to join, the Horizon Europe programme.

The initiative encourages collaborations across all academic disciplines that have the potential to lead to externally funded research projects and joint publications.

The funding is aimed at researchers with a doctoral degree employed at Lund University and South Korean research colleagues with a doctoral degree.

Information about the call is available on the [Lund University Engage with us webpage](#)

Applications will close on 17 April 2025.
