

**Guide to Riding
"On –Campus Circulation"
Shuttle Bus
[Route 1]**

A decorative graphic consisting of a cluster of orange and yellow dots of varying sizes, arranged in a roughly triangular shape pointing downwards, located on the right side of the slide.

Reading the Guideline

Picture on this side is the bus stop. The number written on the top in red represents the bus stop number (i.e. 1,2,3). Right below the number is the name of the bus stop written in yellow circle (i.e. 정문).

Pictures on this side represent what surrounds the bus stop. It will guide you to see which main school buildings are located near by and other places you can go when you stop at the bus stop.

Map of Route 1
