

MSCA EF MASTER CLASS 2018 @ POLIMI

Politecnico di Milano is launching a pilot Master Class (MSCA EF MASTER CLASS 2018 @ POLIMI) for potential applicants to the MSCA - European Individual Fellowship call 2018.

The **aim of the call** is to attract and train young and talented researchers to successfully applying for MSCA European Fellowship with the Politecnico di Milano as host institution.

Candidates will be pre-selected based on their expression of interest, CV and motivation. Promising candidates will be invited to the Politecnico di Milano for 3 days (**11-13 June 2018**) to meet with their supervisors, to visit laboratories and facilities, to attend an in depth training course on the proposal writing and to make use of full support in the application writing process by POLIMI advisors.

Candidate fellows and supervisors will be guided throughout the whole application process with deadline on 12th September 2018. Only those who get funding through the European Commission's MSCA IF program will be admitted to Politecnico di Milano.

Applications are open for the published 30 "Supervisors project proposals".

Maximum 30 candidates will be selected by Politecnico di Milano that will cover their travel and accomodations (maximum reimbursement: 2.500 euro).

Application deadline: April 30th 2018.

There are three main **requirements of eligibility**:

1. Applicants must have a PhD (or equivalent research experience of at least four years' full time research experience by the time of the call deadline: September 12th 2018)
2. Applicants can be of any nationality but must not have lived or worked in Italy for more than 12 months during the three years up to the closing date of the call (mobility rule)
3. The applicants must choose the Politecnico di Milano as their Host Institution
